The Ideal Venue

Situated in beautiful surroundings, Stratford Sports Club occupies a ten acre site within a five minute stroll of Stratford town centre, its shops, theatres and the River Avon.

The recently refurbished clubhouse has ample parking and an attractive terrace overlooking Stratford's riverside cricket ground. It is equipped to provide flexible accommodation for a range of business meetings, including conferences, seminars and training courses for up to 150 delegates.

With first-class catering and a licensed bar, we can also accommodate business lunches, dinners, dances and other social functions.

So if you are looking for a top quality venue at an affordable price, you will find our facilities and charges hard to beat.

The Terrace Room

Overlooking the grounds with a view of the Shakespeare Theatre, this is the largest of the rooms and has the capacity to seat around 100 people for a Dinner or Wedding reception. This can be expanded by opening the doors onto the Patio which can be covered with a Marquee. It has its own bar and catering access. Fully equipped with 3 metre screen, HD projector and flat screen television, all of which can be used for presentations. We also have a comprehensive Sky TV package.

The Pavilion Room

This can be used as a separate room with its own bar or can be incorporated into the Terrace Room to increase its seating capacity - or to add a dance floor! This room is ideal for a small function such as a presentation, meeting or a training event and has a seating capacity of either 40 in theatre style or 30 around tables. The room also has a screen with equipment to hire.

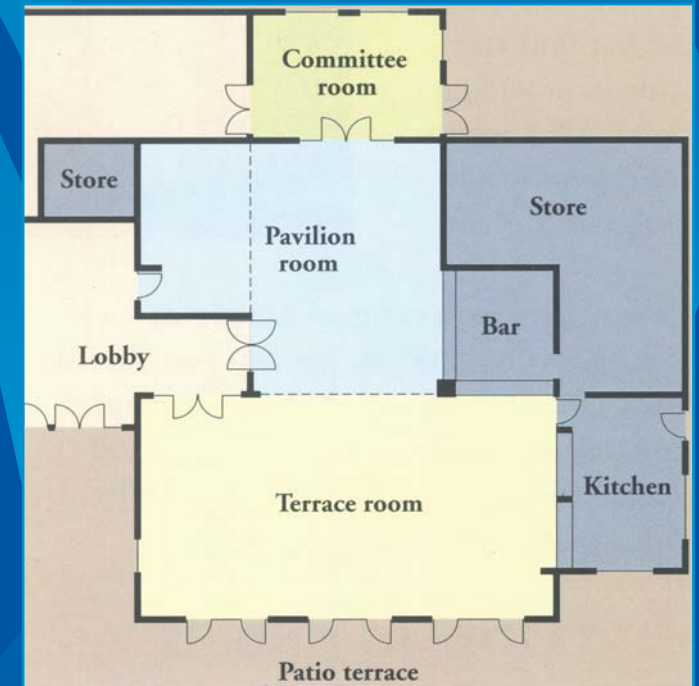

The Committee Room

With a seating capacity of about 25 in theatre style or 15 around tables this is the "quiet room" of the club, ideal where concentration is important. Access to this room is via the Pavilion Room and be used in conjunction with the latter, also with a screen and equipment.
